Rapid 100% Vendor Compliance

Inventory management through Vendor Compliance labeling and EDI will greatly improve your supply-chain performance. Liquio's ASP Internet labeling solution delivers centralized control and rapid deployment of all Vendor labeling and EDI standards. **LIQUIOCOMPLIANCE™** and **LIQUIOEDI™** can be rapidly and seamlessly integrated into your enterprise, with a minimal utilization of customer and vendor IT resources.

LiquioVendor™ Turnkey Solutions

A flexible pricing structure allows all vendors to realize the immediate benefits of 100% Compliance Labeling and EDI Certification. Vendor programs range from an occasional use service bureau, to unlimited use subscriptions or lease options bundled with PC and printer. Vendor Compliance labeling and EDI become easy with a Liquio solution!
